

What is AppleCrisp?

AppleCrisp is the ultimate warm snack experience. Made from **100% Dutch apples**, the tender apple wedges are pre-fried and frozen delivered to you!

What makes it Unique?

Each tender apple wedge is **coated with a crispy golden layer** creating the perfect combination of a soft apple center and an irresistible crunchy bite!

Who is the target consumer?

Everyone loves the warm, soft apple taste with a hint of cinnamon. With its familiar flavour and **vegetarian recipe**, AppleCrisp is an easy choice for guests of **all ages and backgrounds**!

Who are our customers?

AppleCrisp is the ideal sweet impuls snack for amusement parks, zoos, water parks and other **leisure venues**. In **restaurants**, chefs serve it as a dessert, on a shared platter, or as a crunchy touch with the couvert.

We are Vegan!

AppleCrisp is proud to carry the Vegan label. Even the protein-rich layer that creates our signature crispy coating contains **no animal-derived ingredients**!
